

# COSMOS QUARTZ

Imagination creates reality

**BE** Committed to  
the process to accomplish an  
uncompromising result

Cosmos Granite & Marble began in 2005 to provide customers with superior quality materials at competitive prices and friendly, reliable service. Combining these founding principles with the knowledge and experience of our team of industry experts, Cosmos has become a leading distributor of natural stone and quartz throughout the US. From homeowners to construction professionals, our customer base is growing across the nation.

It's easy to see why so many professionals choose Cosmos Granite & Marble.

**INNOVATION :** Cosmos Granite & Marble continues to embrace the change in technology through continuous investments in both equipment and personnel.

**SECURITY :** Our strong alliances with overseas associates eliminate the struggles of product shortages, price fluctuations, and inaccurate information that otherwise have to be faced.

**VARIETY :** Even with thousands of slabs already available in varied colors and sizes, we at Cosmos are always working to improve our supply chains so our customers have access to the latest product offerings.

"We continue to provide exclusive services to our existing and prospective customers. Experience the triumph of the industry leader with world class building stones at your conveniently located US facilities."
